| | Eligibilty | | | |
|----------------------------|---|--|--|--|
| 203(k) to 203(b) | A Section 203(k) rehabilitation mortgage may be refinanced into a Section 203(b) mortgage after all work is complete. The rehabilitation work is considered complete by A fully executed certificate of completion Closing the rehabilitation escrow account with a final release, and The lender entering the required closeout information into the FHA Connection (FHAC) or its functional equivalent. Note: Before a case number can be ordered for the refinance of a 203(k) mortgage, the previous lender must have completed the section 203(k) closeout processes in FHA Connection. | | | |
| Application (URLA) | | | | |
| Appraisal | Appraisals are not required on Streamline Refinances. The receipt or possession of an appraisal by the lender does not affect the eligibility or maximum mortgage amount on Streamline Refinances. | | | |
| Citizenship | U.S. citizenship is not required for mortgage eligibility. | | | |
| Credit | Minimum 600 FICO A minimum of 1 credit score is required | | | |
| Employment Verification | All loans require a signed IRS Form 4506-C. Verbal verification of employment is required on all Streamlines. | | | |

| General Information | General information applicable to all Streamline Refinances Seasoning Requirements - On the date of the FHA case number assignment: The borrower must have made at least six payments on the FHA-insured mortgage that is being refinanced (where the FHA-insured mortgage has been modified, the borrower must have made at least six payments under the modification agreement); At least six full months must have passed since the first payment due date of the mortgage that is being refinanced; At least 210 days must have passed from the Closing Date of the mortgage that is being refinanced; and <u>Note:</u> Must also meet the following Ginnie Mae seasoning requirements: the first payment due date of the refinance loan occurs no earlier than 210 days after the first payment due date of the refinanced loan. If the borrower assumed the mortgage that is being refinanced, they must have made six payments since the time of assumption. The maximum amortization period is limited to the lesser of: The remaining amortization period of the existing mortgage plus 12 years; or 30 years. Example: Mortgage being refinanced was closed on or before December 1, and the borrower's first payment on that mortgage was due on January 1, the lender may request assignment of an FHA case number for the refinance no earlier than July 1. |
|------------------------------------|---|
| | |
| HPML | FHA Safe Harbor are acceptable on all streamlines QM Rebuttable Presumption loans allowed provided the following are met: Must be current for 12 months or length of loan If length of loan is less than 12 months, must reflect at least 6 month payment history. Less than 6 months is not acceptable. VVOE must be obtained to verify borrower is currently employed, however income information is not needed. |
| LDP / SAM | The lender must check the HUD Limited Denial of Participation (LDP) list to confirm the borrower's eligibility to participate in an FHA-insured mortgage transaction. The lender must also check the System for Award Management (SAM) (<u>www.sam.gov</u>) and must follow appropriate procedures defined by that system to confirm eligibility for participation. |
| Maximum Loan Amount Calculation | Owner Occupied The maximum base loan amount is the lesser of: The outstanding principal balance of the existing mortgage as of the month prior to mortgage disbursement; plus: |
| | Investment Properties The maximum base loan amount is the lesser of: The outstanding principal balance of the existing mortgage as of the month prior to mortgage disbursement; or The original principal balance of the existing mortgage (including financed UFMIP); Less any refund of UFMIP. |
| | NOTE: In order to include closing costs and pre-paids into the loan amount the loan MUST qualify under a regular Rate and Term refinance and is not eligible for a streamline with or without an appraisal. |
| | Use of Estimates in Calculating Maximum Mortgage Amount Estimates may be utilized in calculating the maximum mortgage amount to the extent that the total mortgage amount does not result in the borrower receiving greater than \$500 cash back at mortgage |
| | disbursement. |
| | disbursement. Cash to the borrower resulting from the refund of borrowers unused escrow balance from the previous mortgage must not be considered in the \$500 cash back limit whether received at or subsequent to mortgage disbursement. The lender must obtain the payoff statement on the existing mortgage. |

|----------------------|---|--|---|--|--|--|--|
| | A net tangible benefit is required on all Streamline Refinance loans. A Net Tangible Benefit is defined as reduced combined rate, a change from an ARM to a fixed rate Mortgage, and/or a reduced term that results in a financial benefit to the borrower. | | | | | | |
| | Note: | | | | | | |
| | Combined Rate refers to the interest rate on the mortgage plus the mortgage insurance premium (MIP) rate. Reduction in Term refers to the reduction of the remaining amortization period of the existing mortgage. <u>Refinance without a Term Reduction</u> The lender must determine that there is a net tangible benefit to the borrower meeting the standards in the chart below for all Streamline Refinance transactions without a reduction in term. | | | | | | |

| | payment for the previous six months for all mortgages on the subject property. The borrower must have made the payments for all mortgages secured by the subject property within the month due for the month prior to mortgage disbursement. |
|---------------|---|
| | A borrower who was granted mortgage payment forbearance on the subject property is eligible for a non- credit qualifying Streamline Refinance and considered to have acceptable mortgage payment history provided that, at the time of case number assignment, the borrower has: |
| | Completed the forbearance plan on the subject property; and Made at least three consecutive monthly mortgage payments within the month due on the mortgage since completing the forbearance plan. |
| | Credit Qualifying For all mortgages on all properties with less than six months of mortgage payment history, the borrower must have made all payments within the month due. |
| | For all mortgages on all properties with greater than six months of mortgage payment history, the borrower must have made all mortgage payments within the month due for the six months prior to case number assignment and have no more than one 30-day late payment for the previous six months. |
| | The borrower must have made the payments for all mortgages secured by the subject property within the month due for the month prior to mortgage disbursement. |
| | A borrower who is still in mortgage payment forbearance at the time of case number assignment, or has made less than three consecutive monthly mortgage payments within the month due since completing the forbearance plan, is eligible for a credit qualifying Streamline Refinance provided the borrower: Made all mortgage payments within the month due for the six months prior to forbearance; and Had no more than one 30-day late payment for the previous six months. |
| | Required Documentation If the mortgage on the subject property is not reported in the borrower's credit report, a verification of mortgage (VOM) must be obtained to evidence payment history for the previous 12 months. |
| | Where a mortgage reflects payments under a modification or forbearance plan within the 12 months prior to case number assignment, the lender must obtain: A copy of the modification or forbearance plan; and Evidence of the payment amount and date of payments during the agreement term. |
| | Note: Documentation of a forbearance plan is not required if the forbearance was due to the impacts of COVID-19. |
| Property Type | Eligible Property Type: Primary residence 1 Unit attached or detached SFR or PUD |
| | Condominiums – condo approval not required If a condominium project has been withdrawn from FHA connection approved project list FHA will insure only streamline refinances without an appraisal for that condominium project. 2-4 units |
| | Investment property |
| | Ineligible Property Type: • Manufactured Homes |
| | Co-op's / Condotel |
| | Working Farms Indian Leasehold |
| | HUD Section 184Second Homes |
| Qualifying | Credit Qualifying |
| | To be eligible for a Credit Qualifying Streamline at least one Borrower from the existing mortgage must remain as a borrower on the new mortgage. |
| | Full income documentation required.Tri Merge credit report required. |
| | Funds to Close – if the funds to close exceed the total mortgage payment of the new mortgage, |
| | the full amount of the borrower's funds to close must be verified. Max DTI 31/43%. Ratios exceeding 31/43 may be allowed provided acceptable compensating |
| | factors are documented. See table below for requirements. No cash back to borrower except for minor adjustments at closing not to exceed \$500. |
| | |
