

Jumbo Express Guidelines

The Jumbo Express program leverages DU and LPA to underwrite borrowers that may not qualify for a conforming loan due to the loan amount. The program follows the AUS and applicable current Agency selling guide requirements unless otherwise addressed in these guidelines. There are five rate sheets for this program: Jumbo Express 1, Jumbo Express 2, Jumbo Express 5, Jumbo Express 6 and Jumbo Express 9. 1.0 Fair Lending Statement

Federal law prohibits discrimination in connection with the origination of 1-4 family mortgage loans. The Equal Credit Opportunity Act prohibits creditors from discriminating against credit applicants on the basis of race, color, religion, national origin, sex, marital status, age, because an applicant receives income from a public assistance program, or because an applicant has in good faith exercised any right under the Consumer Credit Protection Act. Also, the Fair Housing Act prohibits discrimination in the sale, rental, and financing of dwellings, and in other housing-related transactions, based on race, color, national origin, religion, sex, familial status (including children under the age of 18 living with parents or legal custodians, pregnant women, and people securing custody of children under the age of 18), and disability. It is the responsibility of all buyers and sellers to ensure that they adhere to these laws and their underlying principles in connection with mortgage loans closed by Community Wholesale Lending.

2.0 Underwriting Philosophy

Interest only loans will be classified as Non-QM and must meet the specific requirements in these guidelines.

For a specific legal phase or phases, at least 30% of the total units in the subject legal phase(s), considered together with all prior legal phases, must have been conveyed or be under contract for sale to principal residence or second home purchasers.
 - For condo projects where replacement reserves are less than 10%, the following conditions must be met:
 - ✓ Less than 10% but no less than 7%, replacement reserves are permitted if the current reserve balance exceeds 10% of the operating expense for such project.

12.4 Appraisal Requirements

- All appraisals must be completed on the most current Agency appraisal forms as stipulated in the Seller's Guide and conform to Agency appraisal practices and eligibility requirements.
- All loans require a full interior/exterior appraisal. Properties with a C5 property condition rating are not allowed. Escrow holdbacks are not allowed. All appraisal deficiencies must be resolved with a 1004D including photos to evidence completion.

- Appraisals transferred or assigned from another lender are not acceptable.

12.5 Third Party Appraisal Review

- The seller must order a desk review with or without MLS (Collateral Desktop Analysis (CDA) from Clear Capital or an Appraisal Risk Review (AAR) from Stewart Valuation) for each DU loan with a Collateral Underwriter (CU) or LPA loan with a Loan Collateral Advisor (LCA) score greater than 2.5 or no score. A desk review is not required for loans with two appraisals, regardless of the CU or LPA score.
- A copy of the desk review should be submitted in the loan file. The review must not be over 120 days old from the date of the Note.
- All discrepancies between the appraisal and the desk review must be reconciled. If the desk review produces a value in excess of a 10% negative variance to the appraised value, the loan is not eligible for purchase; provided, the seller has the option to order a Field Review to support the appraised value. If the field review also produces a value in excess of a 10% negative variance to the appraised value, then the loan will remain ineligible for purchase.
- All appraisals are reviewed for eligibility as well as value support. However, the use of a desk review does not relieve the seller of its representations and warranties relating to the property and the appraisal including the underwriting thereof.

12.6 Properties Located in a Disaster Area

The following is required for properties located in a FEMA declared disaster zone to be eligible for purchase:

- If the property is in a zone where a Disaster End Date has been declared by FEMA, a post disaster inspection will be completed prior to loan purchase to confirm the property value has not been impacted by the disaster.
